

Heathwood Christmas Performances DVD/Link Order Form

Mr Clowes has recorded the dress rehearsals of both of the Christmas performances: PreSchool & Class R's "The Nativity Story" and Class 1-4's "Lights, Camel, Action".

A DVD and a one-time downloadable link of each performance are now available to buy for a charge of £4 per DVD per performance and £2 per one-time downloadable link per performance. You can order as many copies of the performances as you would like.

All orders must be emailed to dvd_orders@heathwood.beds.sch.uk which will then be payable on School Money. The DVD or link will be available to you as soon as possible after they have been paid for.

In your email please confirm your child's name, which performance you would like and in which format you would like the recording.
