

# Heathwood Lower School Newsletter

February 2023

*Our vision for every child is to embed a love for learning, to be passionate about the world around them, to celebrate differences and be kind.*

*Our children will learn important life skills so they leave Heathwood equipped to be successful learners ready for the next steps in their lives.*

What a busy month January was! It is a real pleasure for us to spend time looking at fantastic learning and watching lots of progress being made. We have scrutinised all the data and met with all the teachers to look at the progress that each child has made. Where children have made accelerated progress, we send home a very special 'Praise Postcard' to share the good news with you. Look out for them in the post 😊

Interim Reports will be sent home in March and Open Classrooms will be held on Wednesday 22nd March @ 3pm so that you can see all the wonderful learning for yourselves. Parents' Evening meetings will then take place at the end of March. We look forward to meeting you virtually, as this is an opportunity for you to discuss your child's progress - look out for information about signing up.

Despite having our fair share of bugs and viruses this half term, attendance was 93.4% in January. The National average is currently 93.9%. We're hoping that the half term break will give us all a chance to recover, and attendance will continue to improve. Having said that, may I remind you that if your child has been vomiting or has diarrhoea, you must keep them off school for 48hrs to reduce the spreading of germs. Please remember, classroom doors open at 8:55am and close at 9:00am. If you are late, please bring your child to the Office where we will mark him/her in and escort them to class. Lateness after 9:05am is unauthorised.

**Have a super month and restful half term.**

**Susanne Dove and Jackie Wright**  
Headteachers

## Pre-School News

Hello again. This term the children have enjoyed learning about the differences between day and night. We have taken pictures of different parts of the preschool during the night and then taken the children on a walk, comparing the differences. The children have also enjoyed showing their friends pictures of their own gardens in the night and day. We have also learnt about the importance of a good night's sleep. The children were all given bedtime routine charts to fill in with their parents and they got a little gift from us when they brought back the completed chart. The children have enjoyed building their maths knowledge in a number of different ways. e.g. building a shape snowman, making rulers and playing dice games. A big thank you for the kind donations of cushions, blankets and sparkly lights, they have helped us to revamp our reading area. We are currently trying to expand our dress up area, and would be grateful for any donations.

## Governors News

Governors have been busy this month, looking at the school environment and the wonderful learning that takes place with the School Improvement Advisor. We have approved the Relationship and Health Education Policy which has been posted under policies on the school website.

An update on Curriculum Maestro has been presented to us and we can see the exciting new learning that has been taking place since it was introduced in September. Favourable feedback from members of the teaching staff about the new curriculum was really good to hear and also that the children are enjoying their new way of learning.

After receiving the sad news that Mrs Dove would be retiring at Easter, we are currently recruiting for a new Headteacher.

We have discussed with the Senior Leadership Team if the proposed strike action by teachers would affect Heathwood and it looks like disruption to Heathwood would be unlikely.

## School Attendance

From September 2022 the Department of Education has issued new guidance on school attendance following the pandemic. It is the legal responsibility of the parent to make sure that their child receives an education and where they are registered at a school, they should attend regularly. We appreciate that children, especially young children do get ill and guidance such as the 48 hour rule is in place to prevent the spread of sickness. However, persistent absence (absence greater than 10%) must be addressed. We recognise that some pupils find it harder than others to attend school and as a school, we want to work with you and your child/ren to remove any barriers to attendance by building strong and trusting relationships and working together to put the right support in place. If your child is struggling with school attendance, please contact us and we will work with you to help remove any barriers.

### Why is it important to attend school?

If students are to achieve their potential, good attendance and punctuality are critical. The link between attendance and achievement is well documented. Figures from the DfE demonstrate this very clearly.

Attendance Level	Achievement
<b>Students with 93.5% and above attendance</b>	<b>75% Achieve 5+ A*- C GCSE Grades</b>
<b>Students with 89% and below attendance</b>	<b>25% Achieve 5+ A*- C GCSE Grades</b>

We want all our pupils to achieve the very best results that they can. Irregular attendance can, however, have a significant impact on pupil achievement. Pupils with irregular attendance...

- Get behind with work
- Lose the thread of the topics being taught
- Become demotivated on return to school
- Lose friendships
- Miss out on important careers and guidance inputs
- Miss out on extra curricular opportunities
- Are less likely to feel part of the school
- More likely to become involved in Anti Social Behaviour

### What is good attendance?

Parents/carers and students often become confused about what good attendance is. The school target for attendance is 96.15%. In discussions with the Educational Welfare Service, we have introduced the following guide for parents....

<b>100%</b>	<b>Outstanding</b>
<b>98 - 99%</b>	<b>Excellent</b>
<b>96 - 97%</b>	<b>Good</b>
<b>93 - 95%</b>	<b>Below Satisfactory</b>
<b>90 - 92%</b>	<b>Cause for concern</b>
<b>Below 90%</b>	<b>Serious cause for concern</b>

It should be remembered that 90% attendance is equivalent to one day of absence every fortnight. Over an academic year this amounts to four weeks of absence (100 lessons missed!)

We will contact you if we have concerns about the attendance level of your son/daughter.

We also reward pupils who attend well and are punctual through our system of achievers assemblies and certificates.

### Children's Mental Health Week

We will be having a focussed week for Children's Mental Health Week between 6th - 12th February 2023. This year's theme is Let's Connect. This year's theme for Children's Mental Health Week will encourage children (and adults) to look at how we can make meaningful connections. On Friday 10th February the PTA are inviting everyone to come dressed in mufti wearing something they love and to make a bottle donation for the summer fayre.

As a school we are working with our local Mental Health Support Team (MHST) which has recently been launched. We aim to have a whole school approach to mental health and wellbeing and will be encouraging the whole school community to be a part of this. If you have any concerns or questions about your child's mental health please come and speak to me.

Many thanks, Jackie Wright, Senior Mental Health Lead

### Class Pages on the Website

Please have another look at your child's Class page on our website-we have added 'Knowledge Organisers' for each topic:

Pre School: <https://www.heathwoodlower.com/Children/>

Class R: <https://www.heathwoodlower.com/Forchildren/ClassR/>

Class 1: <https://www.heathwoodlower.com/Forchildren/Class1/>

Class 2: <https://www.heathwoodlower.com/Forchildren/Class2/>

Class 3: <https://www.heathwoodlower.com/Forchildren/Class3/>

Class 4: <https://www.heathwoodlower.com/Forchildren/Class4/>

### Council News

The **Fairtrade Council** are meeting on 1st February where we will be discussing Fairtrade Fortnight and planning our Fairtrade Coffee Morning. Fairtrade Fortnight commences on Monday 27th February. More information about the Fairtrade Coffee Morning will be coming soon!

The **School Council** are meeting on 2nd February, where they will be making decisions about World Book Day and how we should celebrate this year at Heathwood-look out for a letter from us.

The **Rights Respecting Council** are meeting on the 8th February where we will be looking again at the UN Convention. If your child is on the council and hasn't already done so please support them with making a poster about one of the articles using the small booklet they brought home following our last meeting.

The **Eco Council** met on Thursday 26th January and will be focusing on energy saving ideas - look out for tips in future newsletters! They also took part in the RSPB Big Garden Birdwatch last weekend.

### Headphones

Please provide a set of headphones for your child to leave in school for use with myON, Accelerated Reader, TT Rock Stars and Numbots.

All children in Classes R - 4 use online programmes throughout the week in school. As the programmes are tailor made to work at each child's pace, everyone in the class is likely to be on a different page which can be very noisy!!

Younger children (especially Years R and 1) quite often benefit from over-the-head headphones, rather than in-ear earphones.

We had some amazing robots designed and created as part of January's challenge. I think this challenge inspired lots of you to get creative and we had some amazing models that were brought into school and have been on display in the school hall. I was particularly impressed with the vast array of different materials you used from old cardboard boxes to lego. They also varied in size too, from quite small to huge! We had lots of robots too that would help you clean your house, which I thought was pretty useful! One could even make and serve your food - a very good idea!

In February, I would like you to get creative again. I would like you to imagine that we have found a new planet in the solar system. Could you draw a picture or even make a model of the new planet? What would you call the planet? What would it be like there? Would it have any special features? Would life be able to survive and if so, what could live there? Would it have plants and what would they be like? Does it have to be spherical or could it be a different shape? Be imaginative and think about what would be special or different about your planet.

Secondly, I was wondering if we have any budding song writers out there. I thought it would be a good idea to see if any of you could write some new words to a song you already know. For example, could you write some new words that would go with the tune to Twinkle Twinkle? Or, perhaps one of our assembly songs? Try to think of a well known tune, or something you know really well and see if you can put some new words to the tune.

Have fun and be creative  
Paul Dicker

## Dates for your Diary

### February

7<sup>th</sup> Safer Internet Day

9<sup>th</sup> PTA Yoga Evening

10<sup>th</sup> 'Love Yourself' Mufti Day. Bring a bottle for Summer Fayre

### **13<sup>th</sup>-17<sup>th</sup> Half Term**

20<sup>th</sup> Back to School

27<sup>th</sup> Feb-12<sup>th</sup> March Fairtrade Fortnight

22<sup>nd</sup> World Thinking Day

### March

1<sup>st</sup> Class R Lunch

2<sup>nd</sup> World Book Day

4<sup>th</sup> Saturday PTA Book Sale 11- 2pm

15<sup>th</sup> Mother's Day Secret room lunchtime

16<sup>th</sup> Class R Trip to Tring Museum

16<sup>th</sup> Mother's Day Secret room lunchtime

17<sup>th</sup> Red Nose Day

20<sup>th</sup> - Class 1 Easter experience at All Saints

22<sup>nd</sup> Open Classrooms 2.30-3.30pm

27<sup>th</sup> KS2 Young Leaders sports festival

27<sup>th</sup> Parents Evening 3.30-6pm

29<sup>th</sup> Tag Rugby 2-4.30pm

29<sup>th</sup> Parents Evening 3.30-6pm

31<sup>st</sup> PTA Easter Egg Hunt

### **End of Term**

### April

18<sup>th</sup> Back to School

19<sup>th</sup>-21<sup>st</sup> Class 4 New Barn Residential

22<sup>nd</sup> Pottery & Cake Morning 10-12pm

## Procedures for Inclement Weather

As we are approaching the time when we have traditionally had some severe weather, we would like to remind you of our procedures.

If there is an extremely heavy snowfall and we have no choice but to close the school, the decision will be made as soon as possible. We do not take the decision to close lightly; however, the roads to the school can become very dangerous and we do have to maintain safe staff:children ratios. We always consult with the Chair of Governors Mrs Paula Bangs, and our Site Agent Mr Simon Clowes, who both live locally, before making that decision.

**The presumption is that school is always open (if it is safe to do so) unless we have alerted you via text or the website. Please note that a message will NOT be sent to let you know the school is open.**

When the weather is very cold, the playground and paths around the school can be dangerously icy. We will, of course, salt the pathways, but may we remind you to walk carefully. If it is safe for us to open on severely snowy days, our procedure is that the Heath Road and Chiltern Gardens gates ONLY will be open, Mr Clowes will grit a direct path to the school and children can enter via the front Office or Library doors.

When the weather is bad, we take the children out to play for short periods of time. Therefore, please ensure your child is sent to school with appropriate outdoor clothes, i.e., gloves, hat and warm coat. They also need a change of footwear, preferably snow boots or wellies and warm socks.

# WORLD BOOK DAY

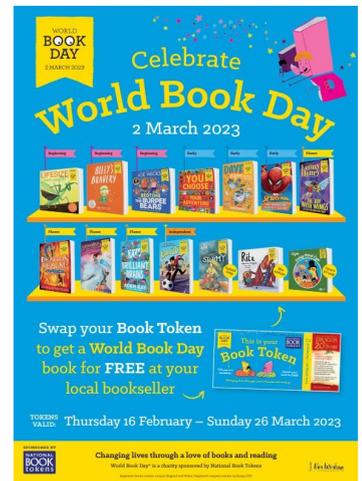

2 MARCH 2023

## World Book Day

This year World Book Day is on Thursday 2nd March. The School Council will meet this week to decide on their plans for the day-look out for a letter from them.

Find out more about World Book day here:

<https://www.worldbookday.com/2022/09/world-book-day-2023-announcements/>

### Fairtrade Fortnight

Fairtrade Fortnight, Monday 27<sup>th</sup> February–Sunday 12<sup>th</sup> March, is a National campaign to raise awareness of Fairtrade. As the only FairAchiever School in Leighton/Linslade, we know lots about Fairtrade and are always keen to share our learning with others. We will be involved in lots of activities during the fortnight.

### Playground Safety

A reminder - please ensure the safety of all our children, parents and carers by reminding your child **not** to ride their bike or scooter **on the playground before or after school**. Your child **must** wear a helmet when riding a bike or scooter to and from school.

**World Thinking Day (Lord Baden Powell Day)**  
Children are invited to wear their Brownie, Cub, Rainbow or Beaver uniform to celebrate Lord Baden Powell day on Wednesday 22<sup>nd</sup> February.

### Safer Internet Day 2023

We will be having a focussed day for Safer Internet use on Tuesday 7th February.

With so many children accessing the internet and playing games online, the safe use of the internet is even more pertinent.

Please make sure you talk with your child about internet safety, and stop to consider what else they are doing online. See our Website (Parents→Online Safety) for more advice.

### Spares Please

Please can we have any spare Boys and Girls underwear, school socks and tights for all years R- 4  
Thank you

### Parking

We occasionally receive calls from concerned neighbours about inconsiderate parking. May I remind you, for the safety of your children and our neighbours, to park sensibly and not to leave your car engine running.

### Reading at Heathwood

We are very proud at Heathwood of the children's reading progress and their love of reading. Your continued input at home makes a real difference and we always really appreciate it. Please comment and sign your child's diary when you hear them read. The expectation is that children are read to, or heard read, at home at least three times per week. We stamp diaries and award House Points for reading at home.

In school we change reading books on a Monday morning.

Additionally, individual reading with a 'Volunteer' takes place in classes depending on availability of volunteering adults.

### Charity News

Eilah from Class 3, will be walking 10 miles on Good Friday on the Ivinghoe Circular route in support of Shelter. She has started her training and did a 4.79 mile training walk in 1 hour 55 mins.

Her fundraising has got off to a fabulous start having already raised £340 of her £300 target. If you would like to support both Eilah and Shelter please follow the just giving link below.

<https://www.justgiving.com/fundraising/eilahgiles1>

### KidsOut Giving Tree

Thank you to everyone who donated toys for the Giving Tree at Christmas. The toys donated enabled KidsOut to provide every child living in a staffed refuge in the UK with a Christmas Toy Box and to support over 12,000 children sheltering in a safe house. Something as simple as a new toy is very much appreciated by the mothers and children as can be seen by some of the feedback we have already received:

***"The children were delighted with the gifts they received and were very grateful. With the toy donations you helped to keep the Christmas magic alive."* - Refuge Worker**

***"Wow! How did Santa know we are here!" - Child in refuge aged 5***

***"My child came to the refuge with nothing. Even their favourite toy was left behind but now she has another favourite toy." - Mum in Refuge***

***"Thank you. I feel so happy and my brother is happy too. I love playing with our new toys together." - Child in Refuge aged 7***

The online Giving Tree shop is still open if your wish to donate follow the link below:

<https://www.kidsout.org.uk/shop/>

We have found some of us have been missing key tips, so we have tried to put a few hints and tips together to ensure we are all getting the most from our physical activity!

### Street Tag Top Tips

- If you ever have some tags disappear on the screen, please check that your app is in online mode. Then click on the "tag download" button on the map home screen to reload the tags around you.

- Tips to Earn More Points:
- 1. Power Hour- During the hour selected by the user, all the points accumulated by collecting virtual tags are tripled. Power hour needs to be set in advance. You cannot set it on the day, so plan a week at a time when you are most likely to be collecting tags. Each week has to be set afresh.
- 2. For every set of 18 tags a player can earn a bonus of 200 points.
- 3. Virtual PE lessons can be rewarded with 200 points. They can be used to reward children for completing the home lessons too. 30 PE codes will be emailed to you.
- 4. Indoor and outdoor steps can be converted into Street Tag points through the app with Fitbit, Apple Watch, or inbuilt pedometer.
- Look out for 'Free points' - there is often a questionnaire you can fill in for 3000 extra points!
- Look out for the street tag parties - you can earn 8000 points and Mrs Bisby even got given a Street Tag t-shirt which we will be rewarding to the child who collects the most tags! Make sure you follow the rules at tag party to get points awarded. The facebook page will give details of party venues, times and how to get points, or see messages on app.
- Press refresh download tags button regularly throughout the day, especially after you've collected tags, as tags are lost after an hour if not added.
- Make use of Polytags. There is a polytag at Heathwood school. It appears on the map screen as a blue symbol at the top of the page. Press on it for 200 points or 600 points if pressed during powerhour and it turns red. You can repeat collection of a polytag hourly. Hint there is a polytag you can collect from the path outside of Beaudesert school if you are ever in the area.

**February PE Codes codes will be emailed to you with instructions on how to add these to your account.**  
**Please make sure after each PE lesson you are claiming your PE code! Every child has at least two PE lessons a week! 😊**

**Thank you once again for all your hard work, let's keep up our winning streak Heathwood, we can do it!**

**Remember the top 10 children each week will receive 100 house points in Monday Assembly!**

# Our Value in February is HAPPINESS

**A feeling of contentment brought about by special people,  
objects or events**

At school, as we show happiness in all our exciting activities, we will be thinking of the term ahead and consider how we can bring happiness to our families and friends during this time. We will help our pupils to realise that if everyone at Heathwood is to experience happiness, then every member must play their part. We will emphasise that there are many parts of the world, and indeed parts of our own country, which are not very happy places and we should think of them too.

The most important thing to realise is that true happiness comes from within and that outside influences, such as material possessions, only provide temporary happiness.

**Thought for the month:** 'The happiness that you give to others is the happiness that comes back to you.'

**At home** you can ask yourselves these questions: 'What makes you truly happy?' and 'How can we help to make those around us feel happier?' These questions should lead to some interesting family discussions.

**WOW!**

Let us know how your child has demonstrated this month's Value of Happiness at home.

HEATHWOOD PTA INVITE YOU TO OUR

# Self Care Evening

THURSDAY 9TH FEBRUARY 7PM TO 9PM  
HEATHWOOD LOWER SCHOOL

## WHAT'S ON THE MENU

### YOGA

Yoga practice with options to suit both total beginners and more intermediate practitioners. A relaxed and fun session, getting you moving and breathing, and feeling amazing. Finishing with a soothing full body relaxation.
