Mrs Jackie Wright B. Ed (Hons)

7th May 2024

Dear Parents and Carers

Please find attached to this email a leaflet for parents about the Optional Key Stage 1 Curriculum tests.

Whilst the tests are not compulsory, as a school we are following the government recommendations to continue to administer the tests and can confirm that these will take place for your child during the week commencing 20th May 2024.

The children will take tests in Reading, Maths, and Spelling, Punctuation and Grammar. The results of the tests will be used to support End of Year Teacher Assessments and planning for your child's transition to Key Stage 2. The results will not be directly shared with parents and we are not required to submit the results to the Local Authority.

As with any school assessment, these will be carried out in a positive way and your child will simply be encouraged to try their best. The test is another snapshot of how your child is doing and will further support the class teacher's daily ongoing assessments and knowledge of the children.

If you have any questions about the optional assessments please contact me.
Thank you for your continued support.

Mrs Jackie Wright
Headteacher
