Can we fill a Bucket with Kindness?

Dear Parents and Carers,

Ensuring children have their right to their safety is very important to us as the Heathwood Rights Respecting Council so we are delighted to be supporting ChildLine by taking part in the Kindness Challenge during the week of 6th October.

By supporting the Kindness Challenge you're helping to power Childline. Childline is there for all young people online, on the phone, anytime. On average, a child contacts Childline every 45 seconds.

Our Kindness Challenge

We'll be spending a week seeing how much kindness we can spread! We would like the children of Heathwood to show you as much kindness at home as they can. When they WOW you with an act of kindness we would like you to send in a bucket, template attached, which they can add to our Heathwood bucket display in school and we can see just how much kindness the children of Heathwood have spread!

Please write on the bucket your child's act of kindness and their name. This is based on the story book 'Have you filled a bucket today.' Should you wish to enjoy sharing this idea further with your child/children. We will display all buckets returned to school and we can't wait to hear about all of the acts of kindness completed by the children of Heathwood!

Fundraising

On Friday 10th October, Rights Respecting Council will be on the playground with a donation bucket and a QR code, if you wish to make a donation. Any donation will be greatly received and all the money we raise at Heathwood will help keep children supported and safe.

Thank you for your continued support.

Miss Romaine and Rights Respecting Council
Heathwood Lower School
