Dear Parents/Carers

Phonics Screening Information Meeting
 Thursday 9th May 9am-9.30am

As advised in the April and May newsletters, we would like to invite you to an information meeting about the Year 1 National Phonics Screening assessment which will take place in June. The meeting will cover the types of things your child is learning, a chance to look at an example of the "test" they will be completing and the expectations of the National Screening, which we administer in a subtle way so that the children perform to their best. We will also have ideas to support your child at home. We strongly urge your attendance at this meeting, as this will support your understanding of the phonics screening, of what to expect and how to help your child.

We do not expect the meeting to last any longer than half an hour. Please could you kindly fill in the slip at the bottom of the page to let us know if you will be attending.

Yours sincerely

Miss Candler
