

Heathwood Lower School
Leighton Buzzard

Dear Children,

Firstly, I would like to begin by saying a very big thank you and well done to this year's school council committees. They have done a fabulous job this year and it has been great to have them meeting at least termly and hosting whole school assemblies.

In September we will be looking to form our new School Council Committees. We would like to have two representatives from each class on each of our five councils. Therefore, if you are interested in being a class representative please write a short speech, on this letter, in your chosen council box, explaining why you would like to be on one of the school councils. Your speech will be read anonymously by your class teacher and the children in your class will vote for the speech they would like to represent each of the councils.

Should you wish, you can choose to write a speech for more than one council, however, you can only be elected for one council. The votes for each council will be counted and the two children with the most votes will be elected as representatives.

In addition to two representatives from each class, we also need a Chair and a Vice Chair for each council. If you are currently a Year 3 council representative and would like to stand as Chair or Vice Chair please express your interest by writing a short speech in the appropriate section of this letter. Please make it clear that you are currently a school council representative.

We have five councils which you can be a representative for and they are each supported by an adult in the school. The adults support the councils are as follows:

School Council - Mrs Wright
Eco Council - Mrs Wilkins
Fairtrade Council - Mrs Wright
Rights Respecting Council - Miss Romaine
Sports Council - Mr Dicker

We are very excited about hearing your speeches and electing our new councils in the new term, ready for action in September!

Good luck,
Mrs Wright
Headteacher
